

CUT THIS BIT OFF BEFORE FOLDING

Hey there! Thank you for picking up a copy of this groovy little zine!

This is a silly little passion project dedicated to the Sunshine Lovers, my favorite characters from the arcade rhythm game Pop'n Music!

Special thanks to my friends Jenna, Gracies, Remi, Kim, and Lam (& Tori) for their immense support, whether it was helpful advice, reassurance if I felt down, or even just kind words cheering me on.

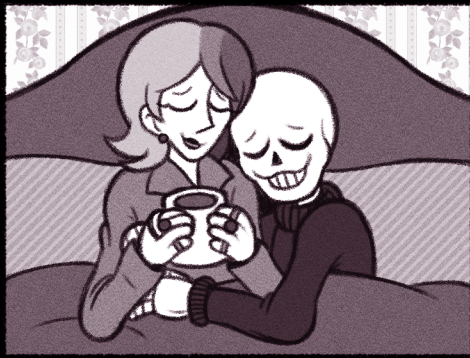

LOVE & PEACE
