

Hey there! Thank you for picking up a copy of this groovy little zine!

This is a silly little passion project dedicated to the Sunshine Lovers, my favorite characters from the arcade rhythm game Pop'n Music!

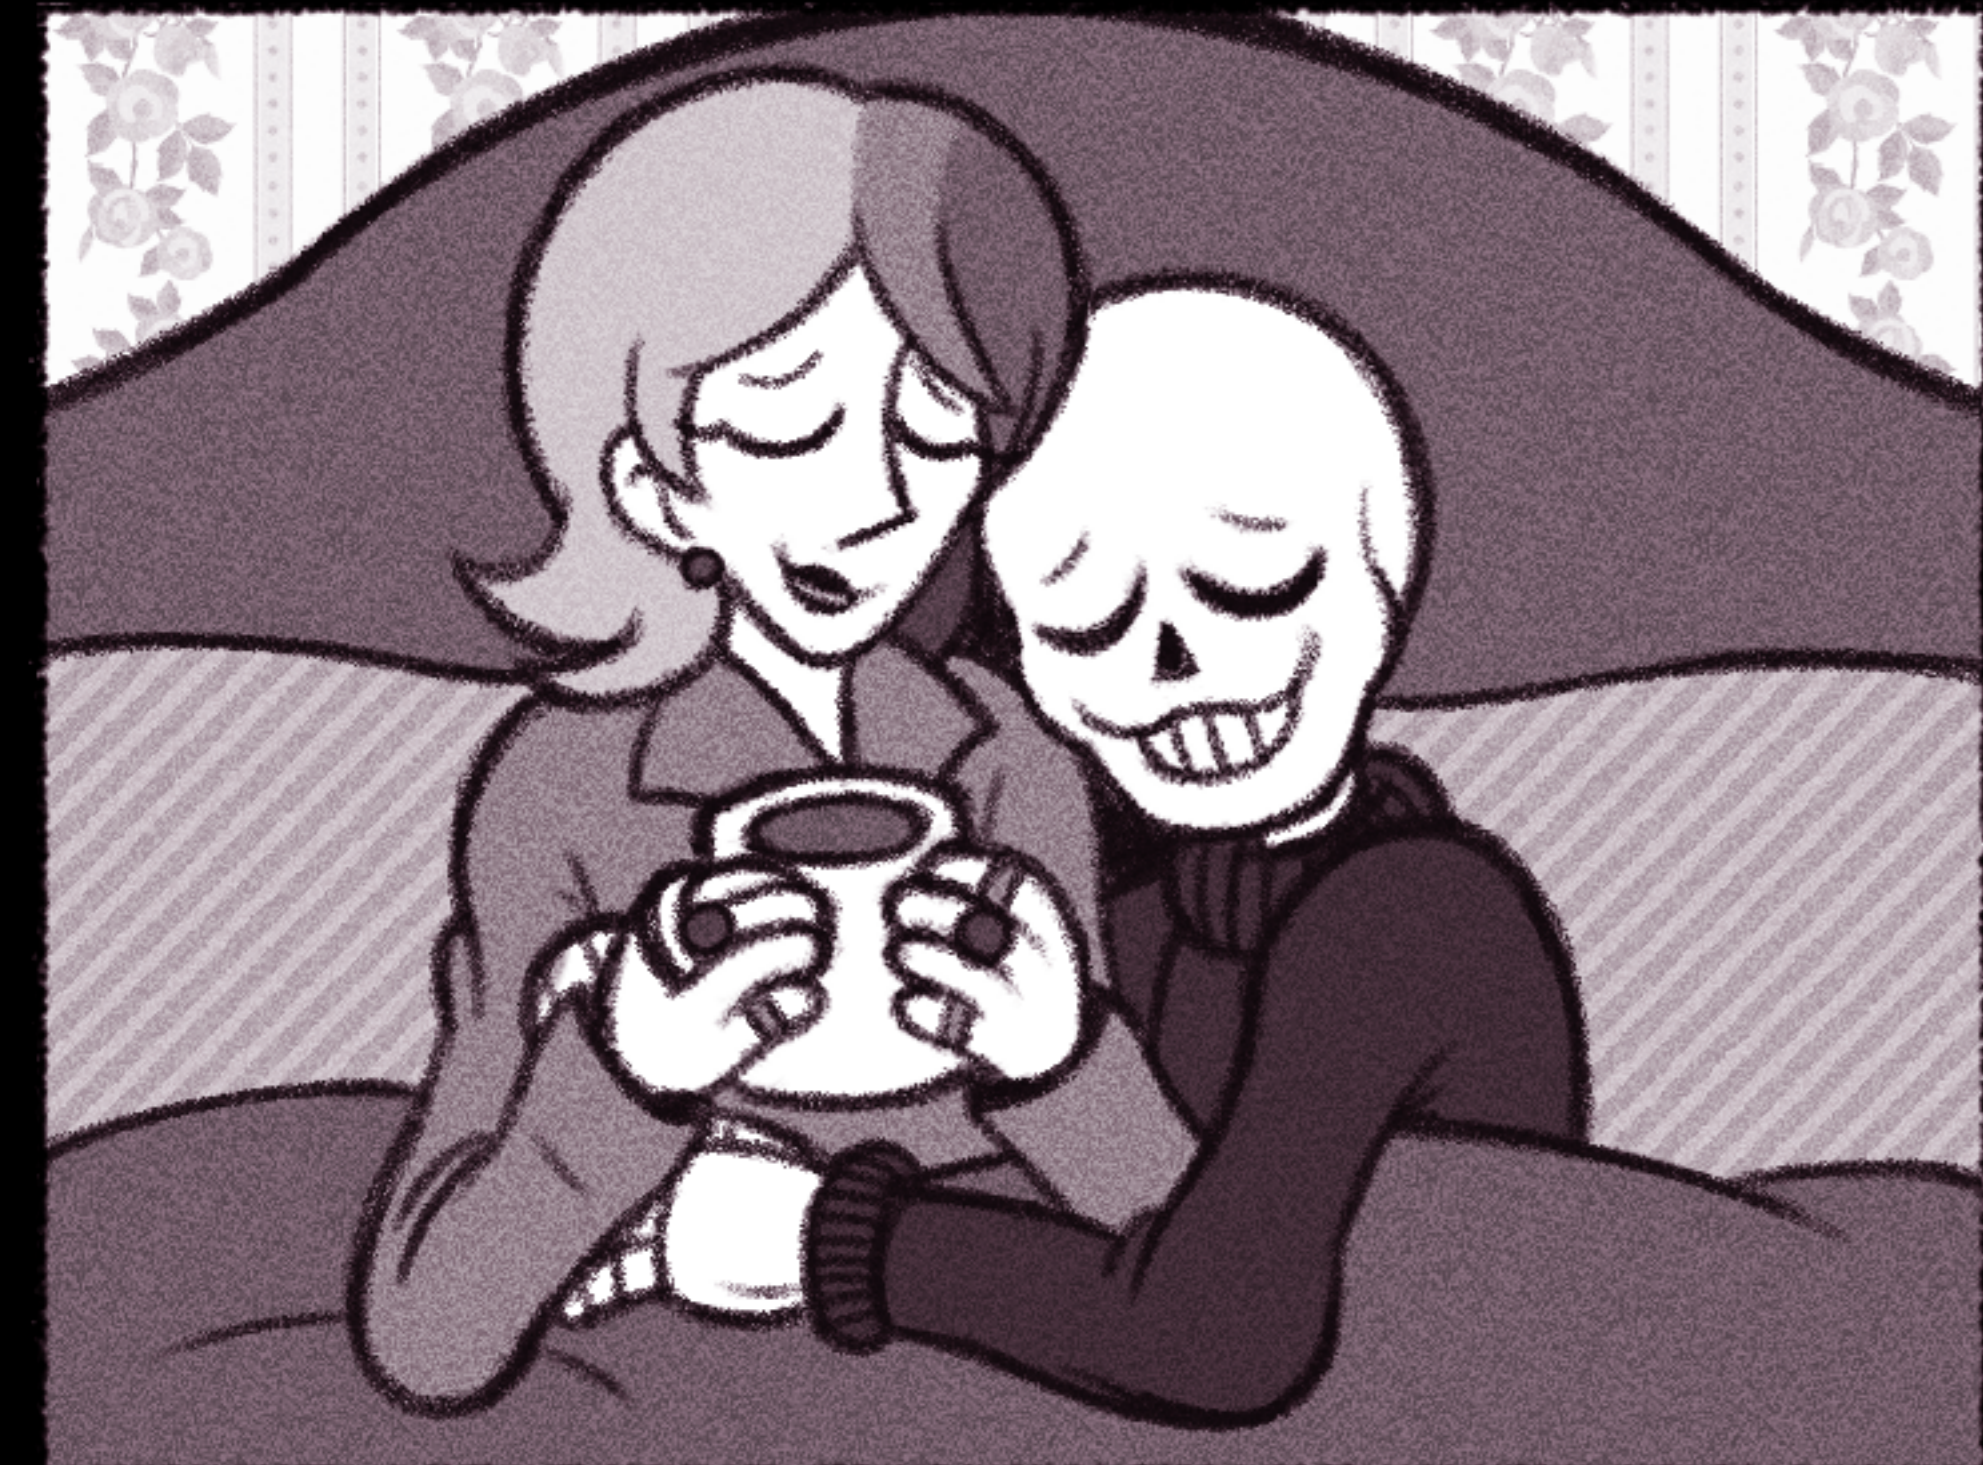

Special thanks to my friends Jenna, Grace, Remi, Kim, and Cam (& Tori) for their immense support, whether it was helpful advice, reassurance if I felt down, or even just kind words cheering me on.

**LOVE & PEACE**

**A COUPLE'S COUPLET**

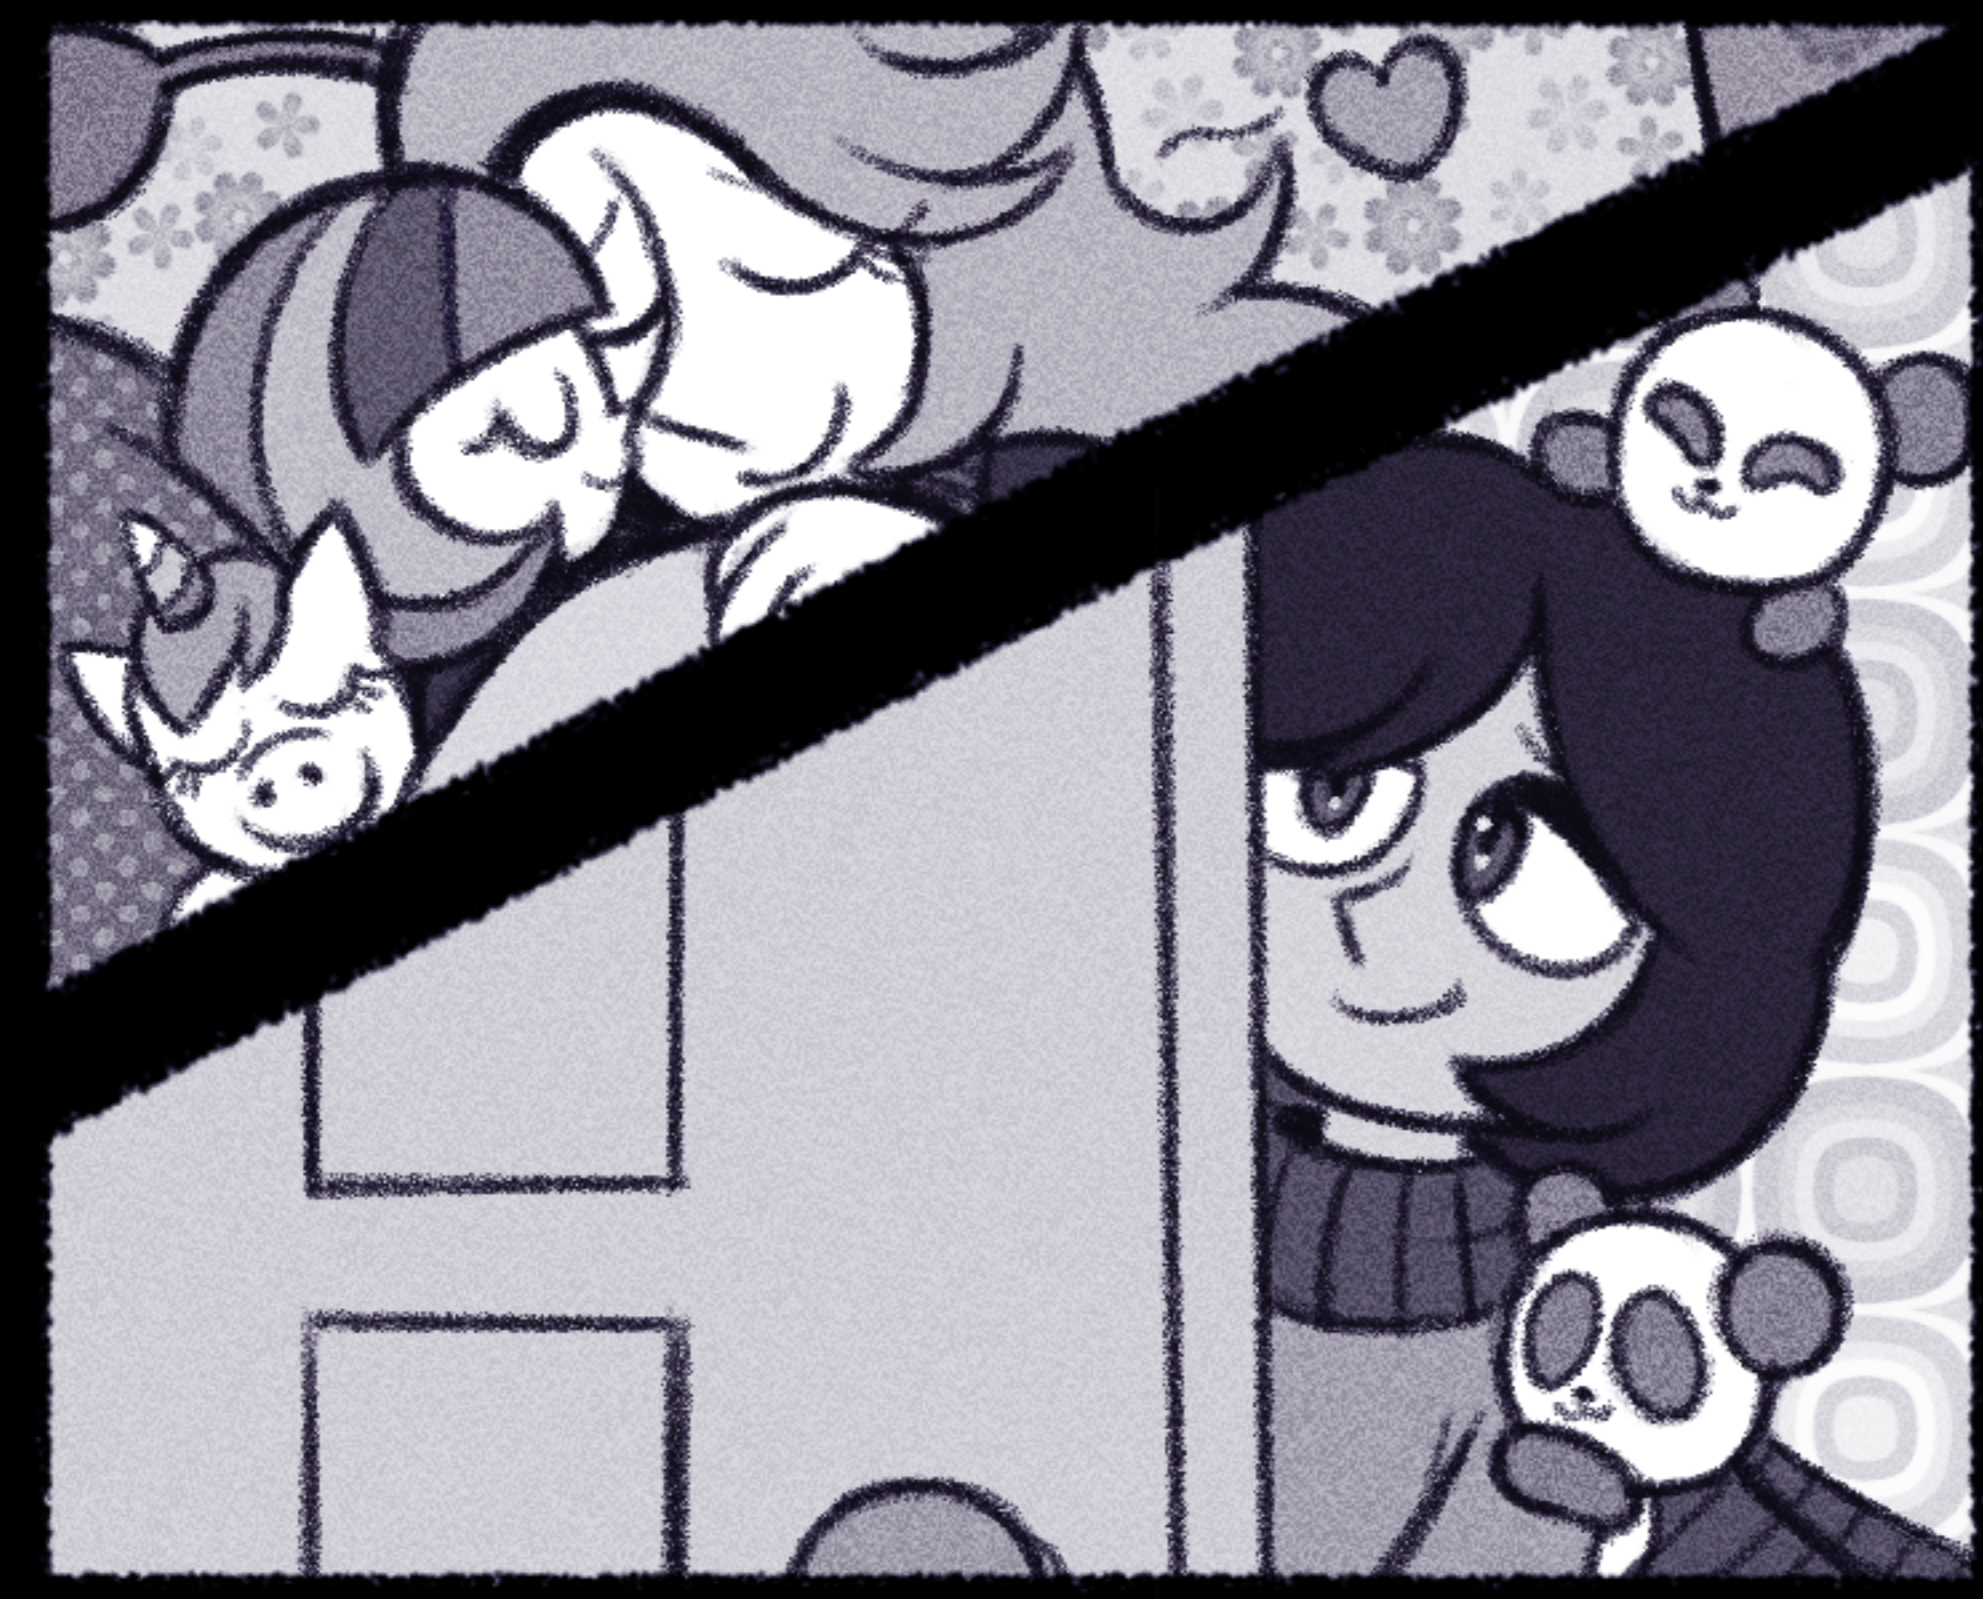

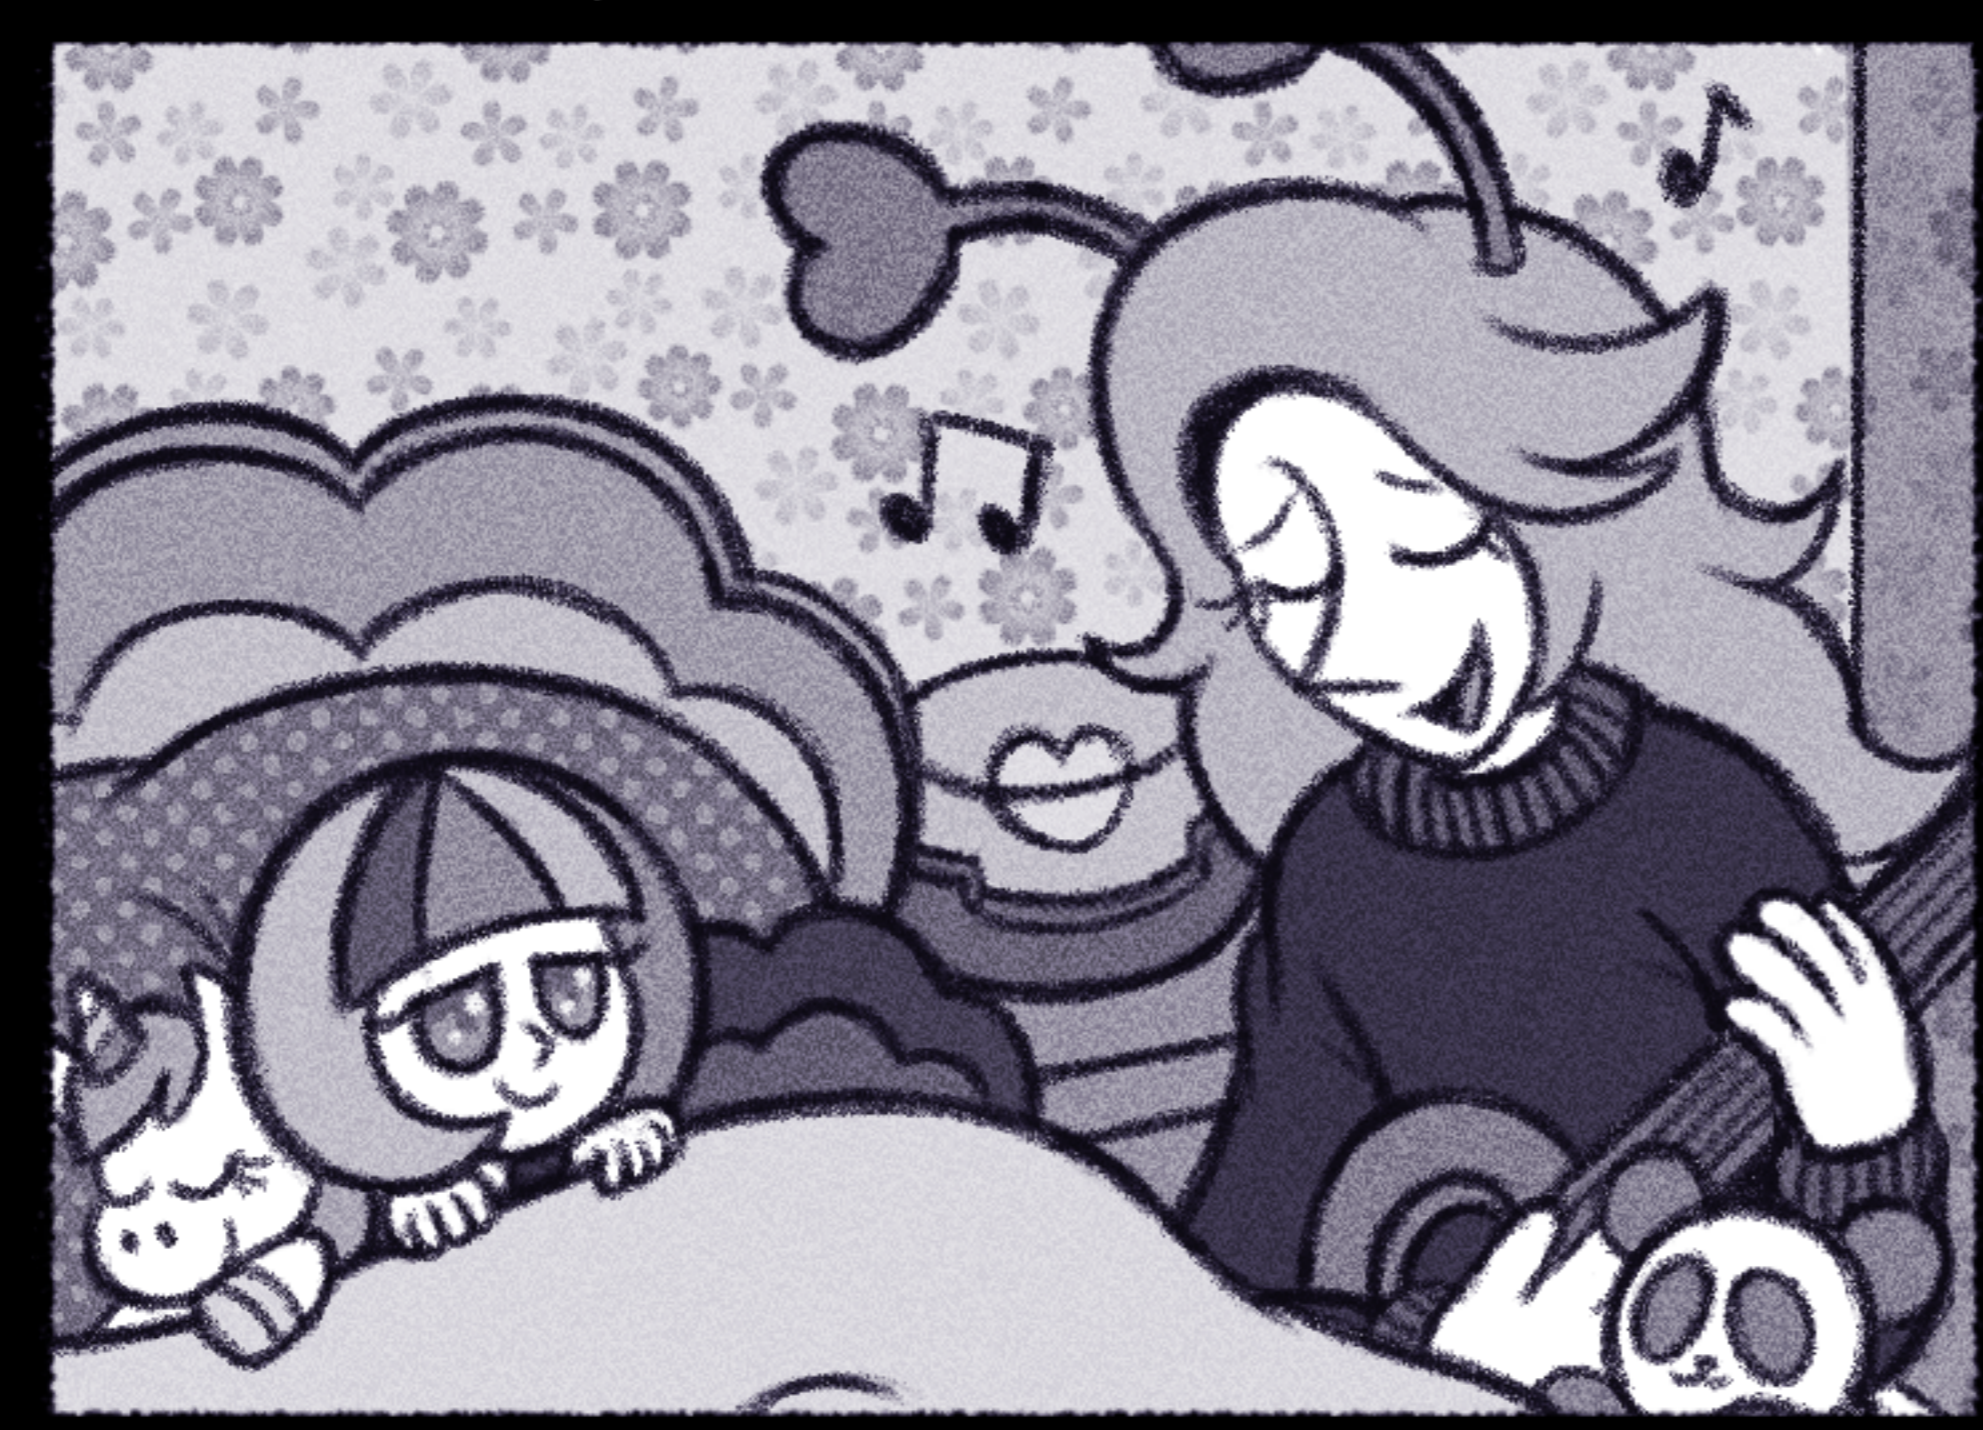

*Like a rose-adorned vine....*

*our hearts are intertwined*

**GOODNIGHT, REALLY**

Hello  
I'm Esme!

I'm that one funky lil' Ralts who likes to draw a bunch of self-indulgent things
