

Hey there! Thank you for picking up a copy of this groovy little zine!

This is a silly little passion project dedicated to the Sunshine Lovers, my favorite characters from the arcade rhythm game Pop'n Music!

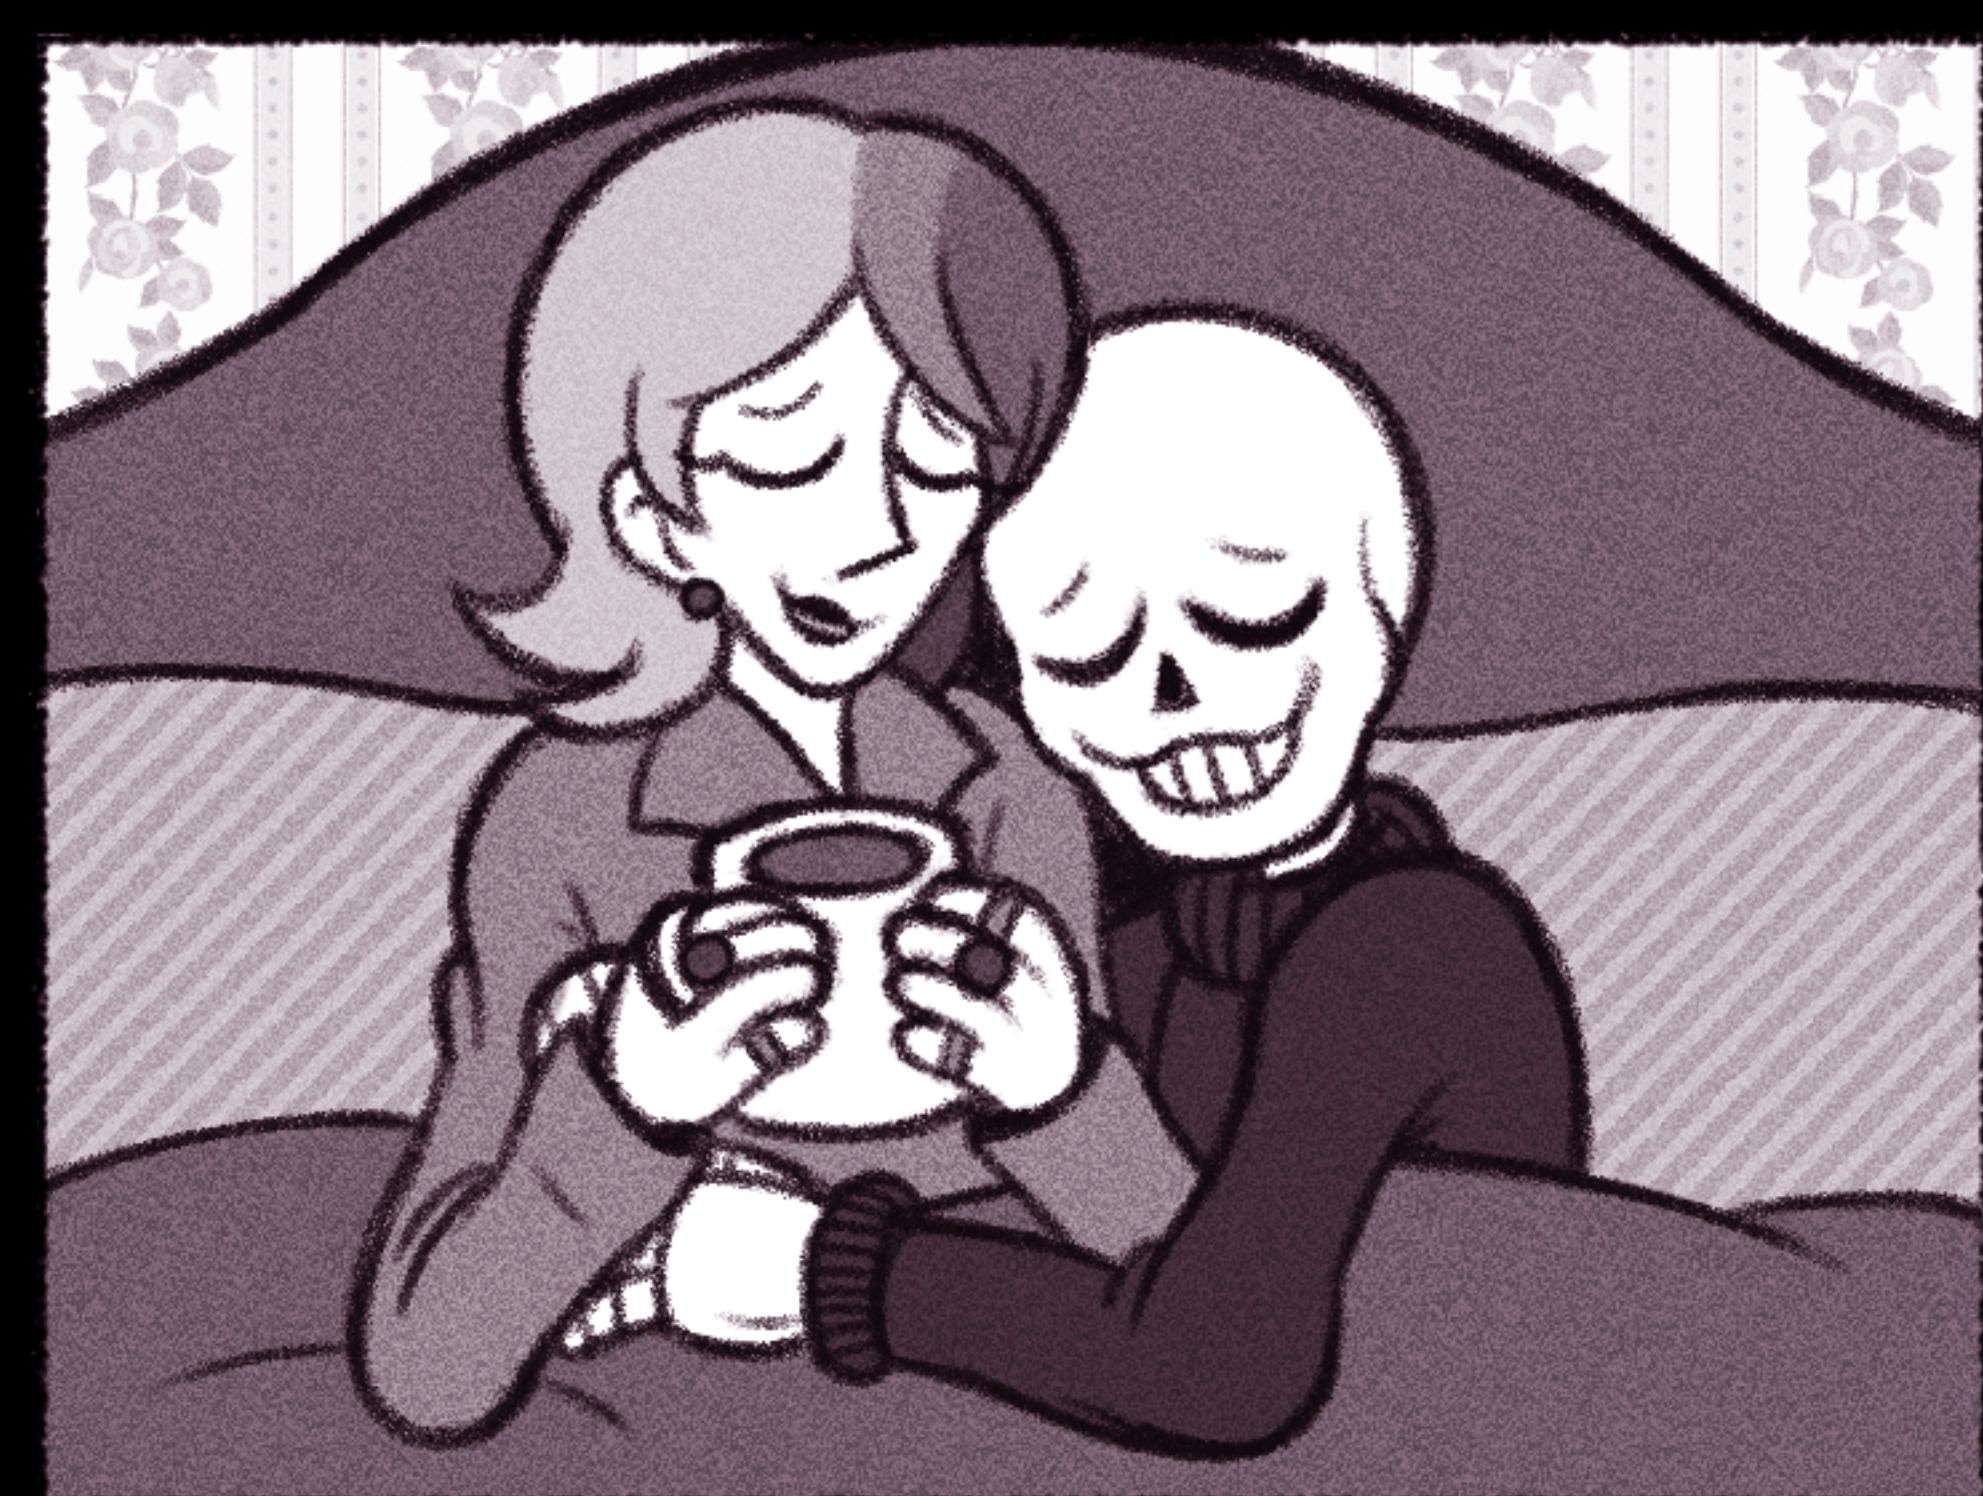

Special thanks to my friends Jenna, Gracie, Remi, Kim, and Lam (& Tori) for their immense support, whether it was helpful advice, reassurance if I felt down, or even just kind words cheering me on.

LOVE & PEACE

A COUPLE'S COUPLET

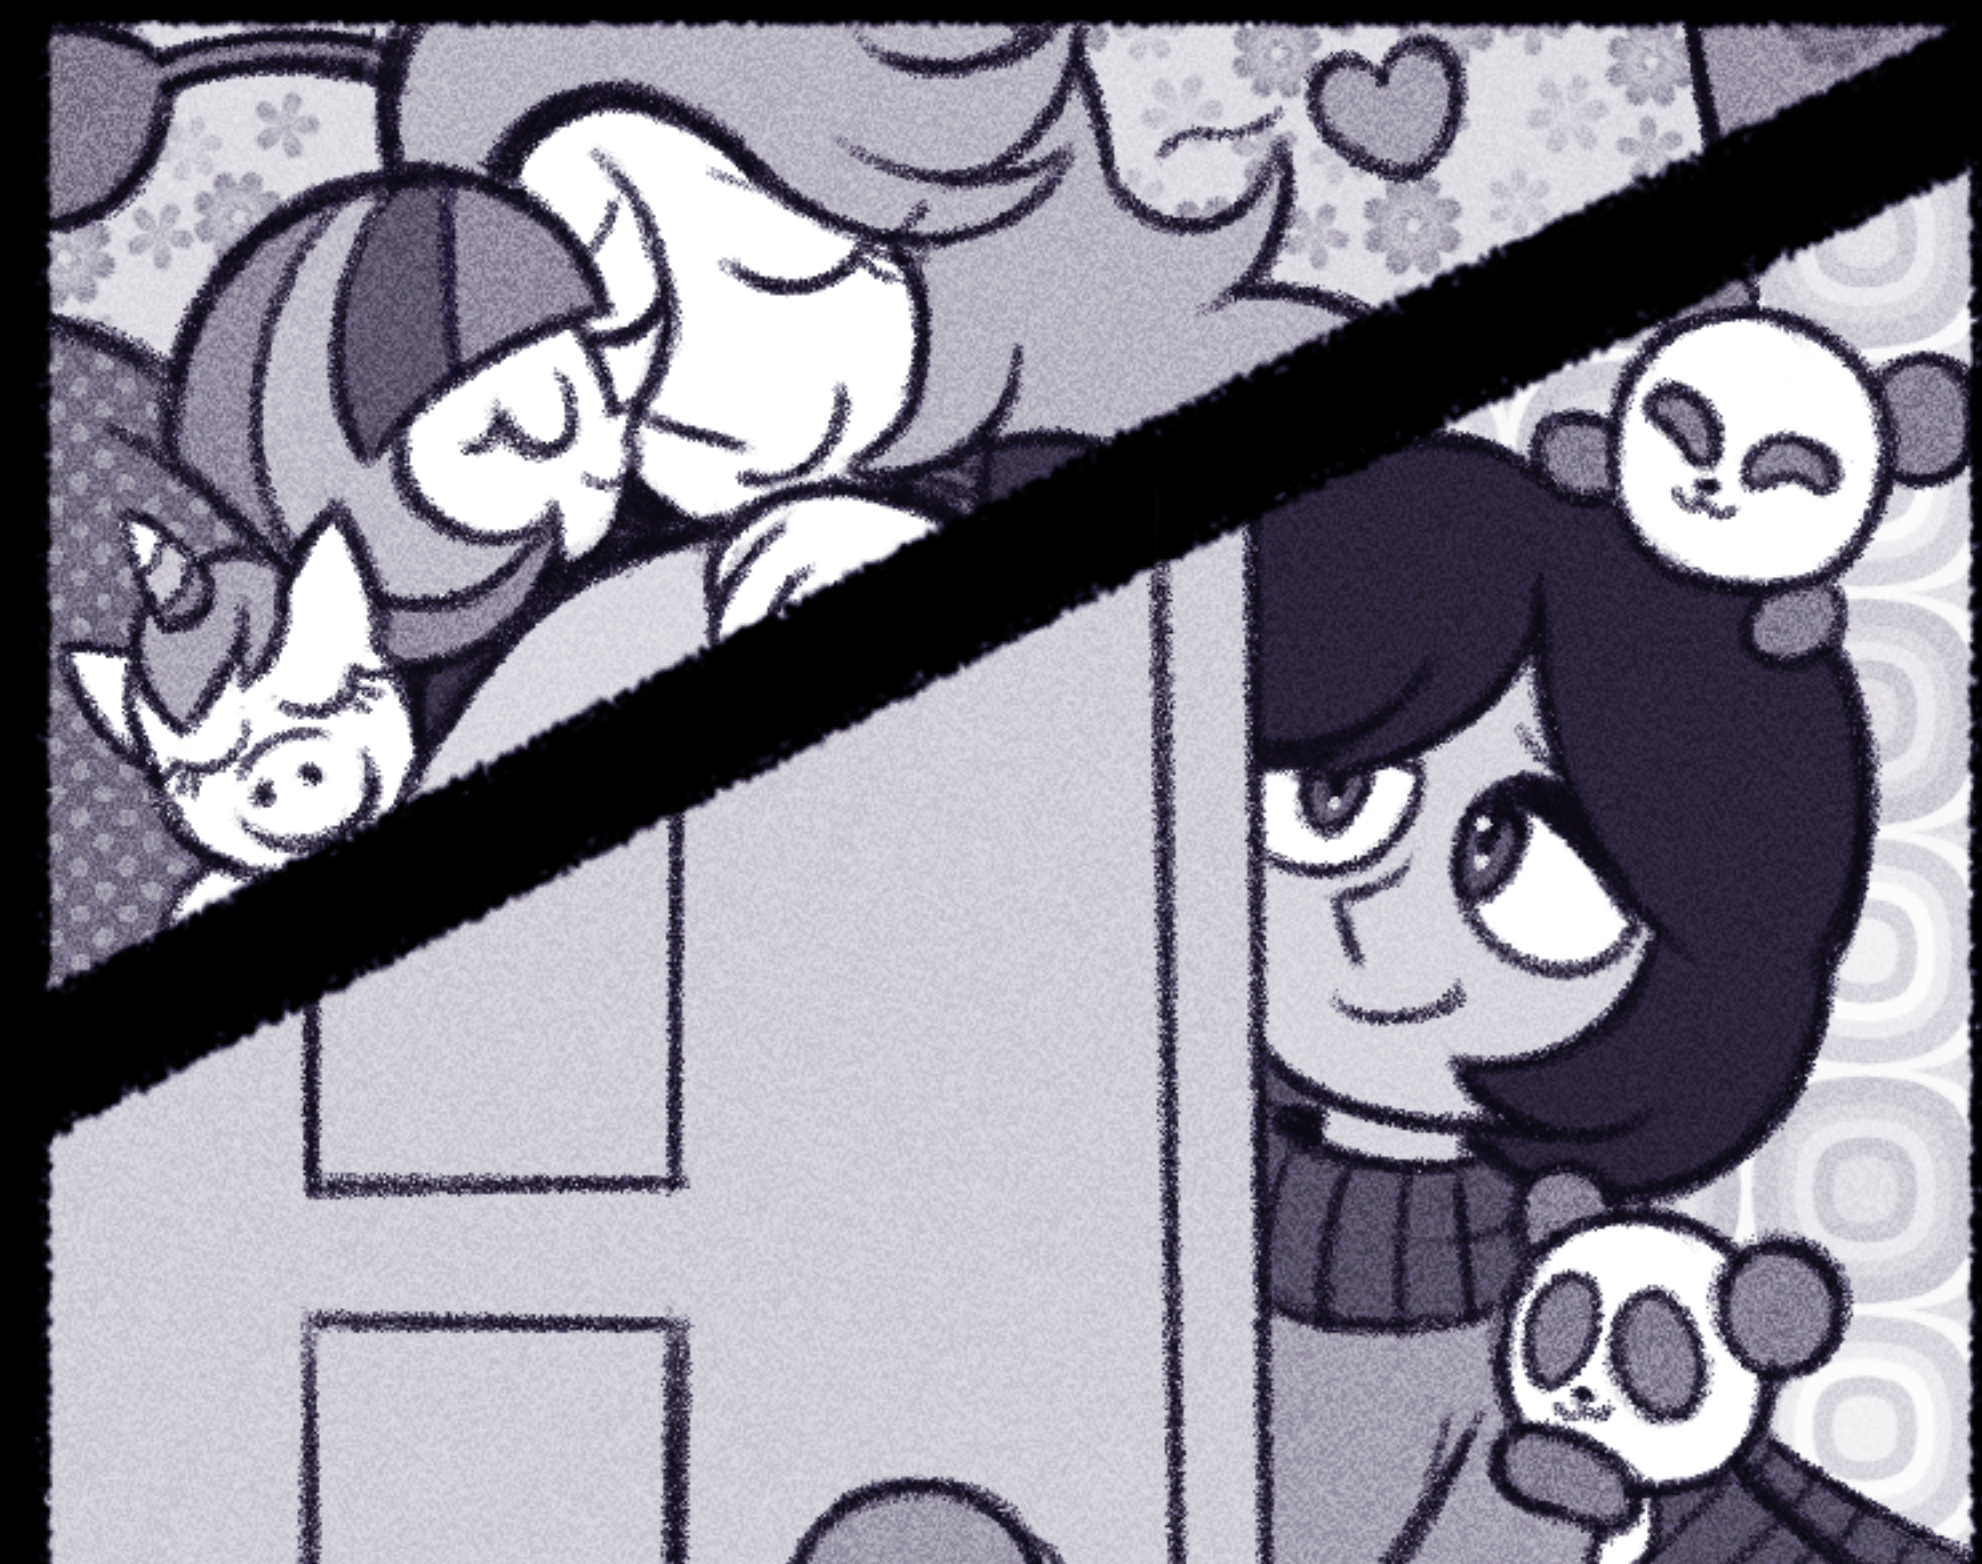

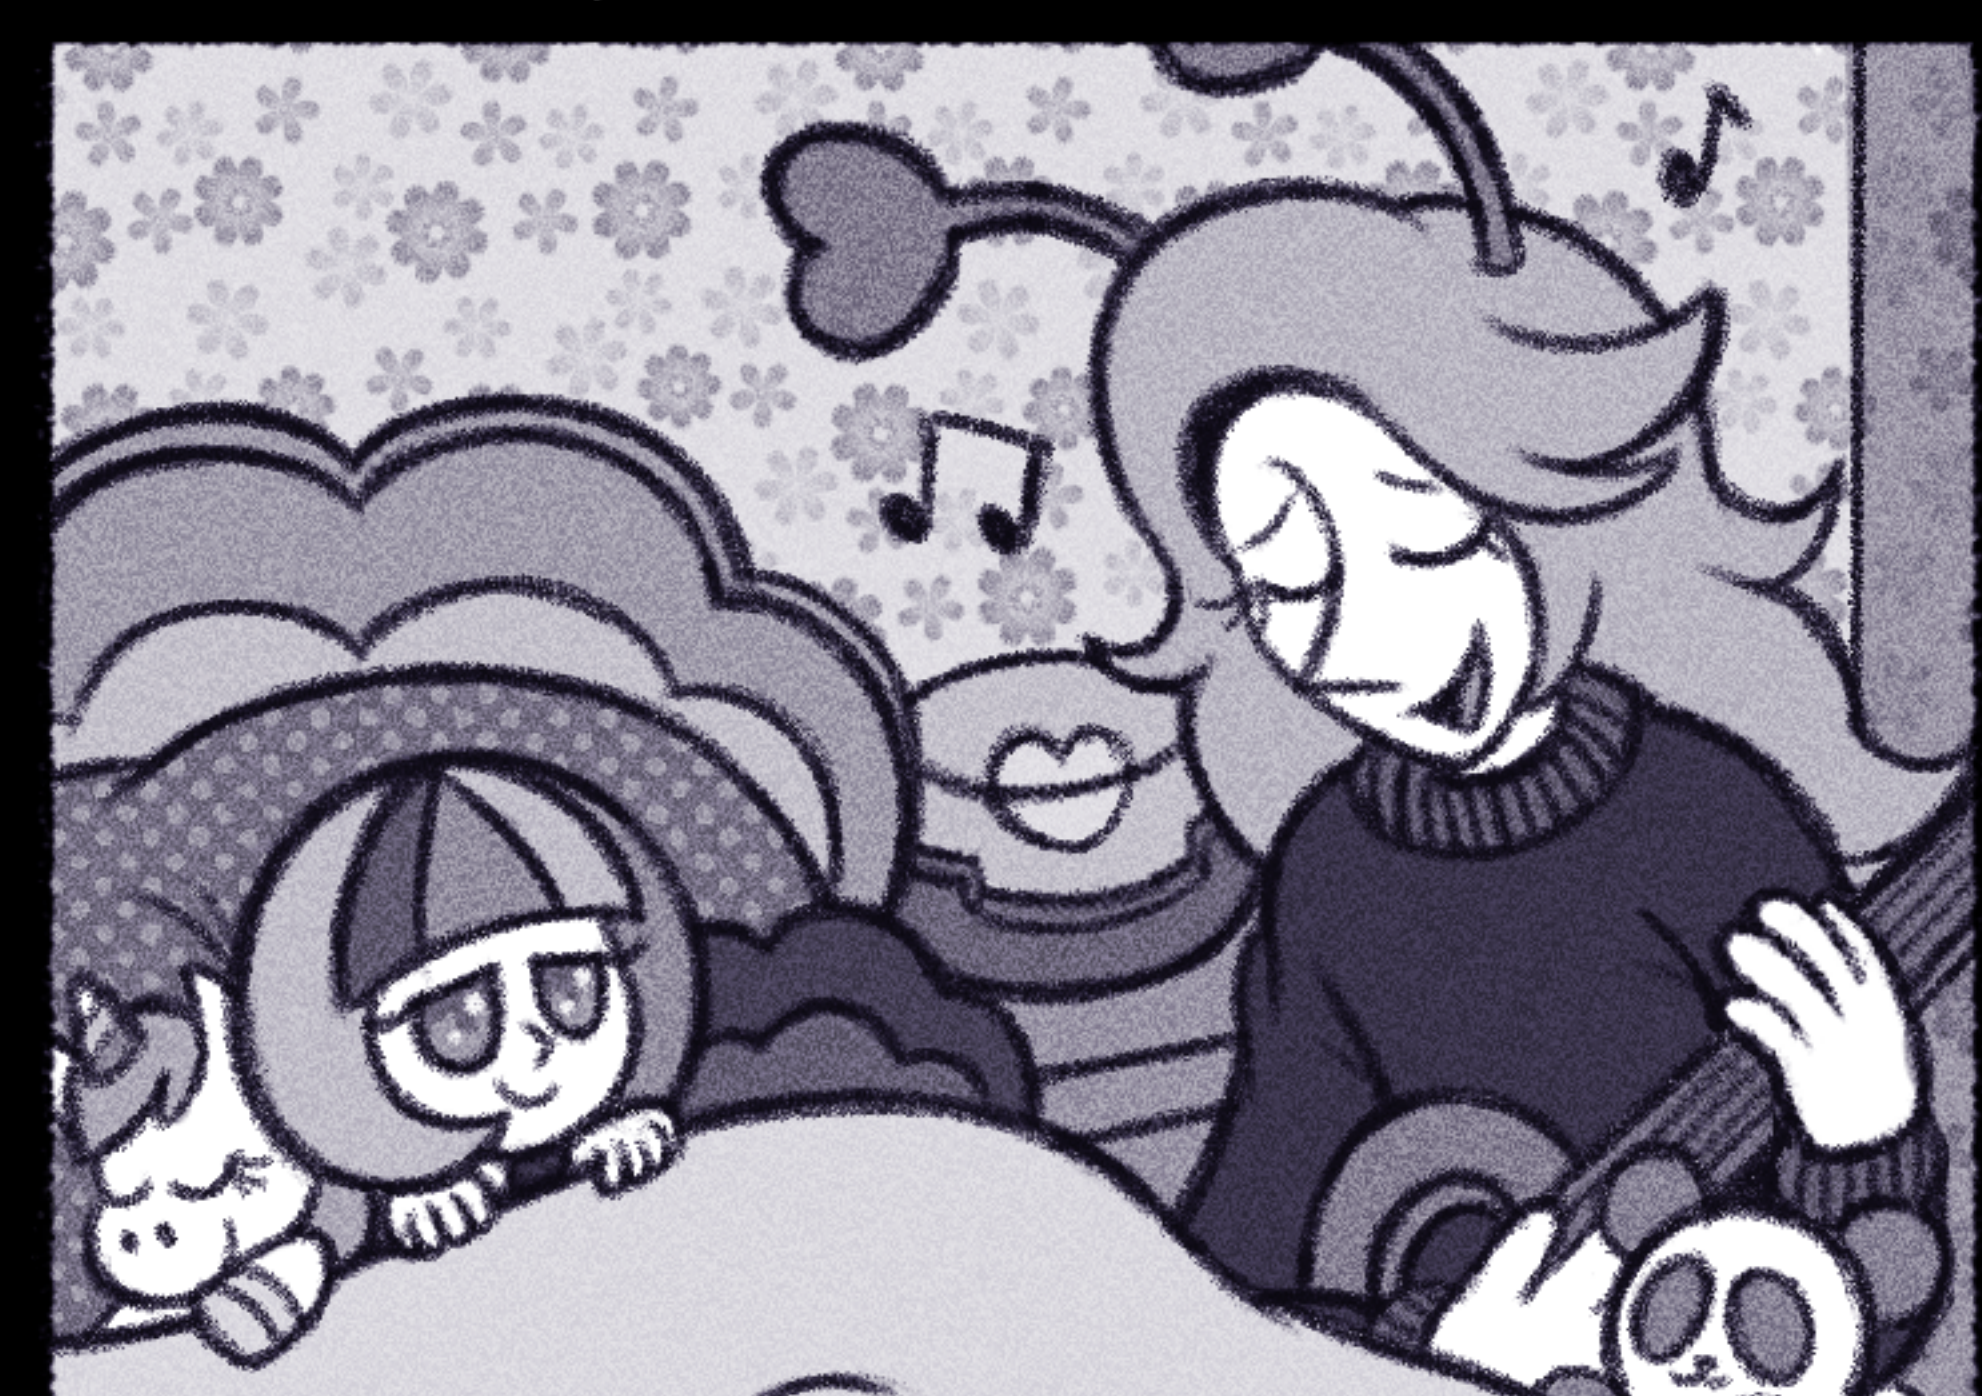

Like a rose-adorned vine....

our hearts are intertwined

GOODNIGHT, REALLY

Hello
I'm Esme!

I'm that one funky lil' Ralts who likes to draw a bunch of self-indulgent things
